LUMC wants to let our **college students and military people** know that we are thinking about them and that they are still valuable members of our church family even when they are away. We hope to send them a little something in April (to correspond with final exams). This is the list that we have from last year. Has someone graduated and moved on? Do you have someone in mind that you don't see on this list? **Thank you for the updates I received last week!** Please help us update!
