Looking Ahead to Advent:

Gather online every Tuesday in December!

Our **Advent study** this year is going to be a delight! Tuesdays in December, you can join in on Zoom or Facebook Live at 7pm to enjoy Christmas music, interactive prompts and a word on **"The Nitty Gritty Nativity."** Rev. Bev. will point out that Jesus came among and lived among the nitty gritty common folks like you and me! Plan to join us December 1, 8 and 15 at 7pm!

Then, on Tuesday, December 22nd, join us for a **Blue Christmas Livestream worship service.**

Blue as in the blues..... Not everyone is up and cheery for the Christmas holidays, perhaps even more so this year! This will be a reflective service, accepting where we are and holding out healing and hope!

LUMC is on the Radio!
